Sir:

Assignee, Research In Motion, Limited, having a mailing address of 295 Phillip Street, Waterloo, Ontario N2L 3W8 Canada, verifies through its duly authorized representative that it is the owner of all right, title and interest in United States Patent Application Serial No. 10/537,189 (hereinafter "the '189 Patent Application") and has remained owner of all right, title and interest from the time of filing the original Assignment to the present. The Assignment was recorded on August 30, 2005, at Reel 016930, Frame 0041.

Assignee hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the '189 Patent Application which would extend beyond the expiration date of the full statutory term of any patent granted on pending reference Patent Application Serial No. 10/723,840 ('840) filed on November 26, 2003, as such term is defined in 35 U.S.C. § 154 and § 173, and as the term of any patent granted on said '840 application may be shortened by

any terminal disclaimer filed prior to the grant of any patent on the pending '840 application. The owner hereby agrees that any patent so granted on the '189 application shall be enforceable only for and during such period that it and any patent granted on the '840 application are commonly owned. This agreement runs with any patent granted on the '189 application and is binding upon the grantee, its successors or assigns.

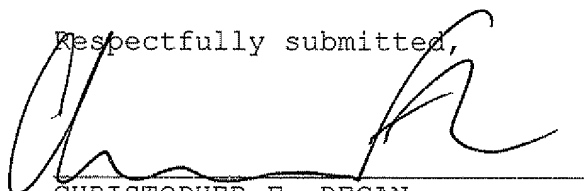

In making the above disclaimer, Assignee does not disclaim the terminal part of any patent granted on the '189 application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. § 154 and § 173 of any patent granted on said '840 application, as the term of any patent granted on said '840 application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending '840 application, in the event that any such patent granted on the pending '840 application expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

For submission on behalf of Assignee, the undersigned is the attorney of record.
